

Here is the event you have been waiting for! Join Out & Sober Minnesota for one of our most popular social events of the year.

We will be meeting in the parking lot of Plymouth Congregational Church at noon. We will leave from there and carpool down to Welch Mill Canoeing & Tubing.

We will need volunteers to drive for this event so that those without transportation can attend. If you are able to drive please post on our Facebook event wall and indicate how many people you can take with you. Either way you will meet some fun people and make some new friends.
