All God's Children MCC Church  
3100 Park Avenue  
Minneapolis, MN

\$10 Suggested Donation  
Scholarships Available

Establishing a regular writing practice can benefit your program of recovery in many ways.

Come join us as we explore how journaling, storytelling, and creative writing can foster positive, realistic self-talk, instill and maintain deep spiritual nourishment, as well as serve as a healthy, creative outlet.

Led by Hamline graduate creative writing student, Mark D. Anderson.
